

IMPORTANT NOTICE ABOUT OUR NAMI SUPPORT GROUPS

Our two NAMI Williamsburg support groups have been meeting for several years in the St. Stephens Lutheran Church on Jamestown Road. Beginning on Tuesday, February 4, 2020, we will move the meeting site for our two groups to the Williamsburg Community Chapel. We have been offered two rooms every Tuesday from 7 pm to about 9 pm. The family members will meet in Room 118 and the Peer group will meet in Room 122.

The Chapel is across from Jamestown High School near the intersection of John Tyler Highway (Route 5) and Greensprings Plantation Drive. The most direct route for most of you may be to take the turn from Route 199 onto John Tyler Highway, and the Chapel is 3.5 miles from the 199 intersection. Two maps are included in this announcement. The first provides the direction to the Chapel and the appropriate parking area from Route 5. The second enclosure is a First Floor facility map of the Chapel. The church map shows the two rooms and the access doors (doors East 1 and East 2). You may enter either door to reach your room.

You may find that your driving time to our meetings increases just a bit, but the huge advantages are the access to a lighted parking area and the fact that we are on the first floor of the building.

I am a board member on NAMI Williamsburg, and you may contact me with any concerns or questions. Please use my email address for any correspondence concerning this transition. My phone is to be used only in emergencies.
